

Internal Application for Kingdom Endowment Fund Grant **(For use by FBC Staff, Church Members, and Small Groups)**

Introduction

Thank you for your interest in the FBC Kingdom Endowment Fund (KEF). Through the generosity of several individuals, endowment funds have been provided for First Baptist's use to expand God's Kingdom and the work of His Kingdom. These funds are intended for use in meeting needs that are not part of the on-going programs and operations of the church. These endowment funds are maintained and managed by endowment fund professionals whose role is to grow the principal of the funds to allow for perpetuity of God's work. The earnings generated by the principal are distributed to First Baptist Church on a quarterly and semi-annual basis. The earnings distributions received by the church can vary greatly. In addition, some donors provided stipulations on how the money should be used.

Important Information for Applicants

First Baptist Church has an elected group of members who have volunteered to serve on the *FBC Kingdom Endowment Committee* (hereafter, "*Committee*"). The Committee makes recommendations for dispersal of the trust earnings through the Deacons to the Church.

In determining which applications will be awarded funds, the Committee relies on the Kingdom Endowment Governing Articles, as approved by a vote of the church members. If you have not already done so, you are encouraged to read the Articles in their entirety, but with special emphasis on Article Eight, Section B, items 1-13, which enumerate specific restrictions and/or prohibitions for the use of KEF monies. You may view the Governing Articles on-line at www.fcbbrunswick.com/Media/Publications.

In addition to relying on the Governing Articles, the Committee must also consider other factors when determining whether to award funds. These factors include, but are not limited to consideration(s) of whether the: (1) total of the funds requested exceed the funds available; (2) application is fully completed and signed; (3) applicant is a prior recipient of funds and properly submitted the follow-up report and receipts; (4) application was submitted in sufficient time to allow approval of the appropriate Committee(s), the Deacons, and the Church; (5) funds are available or should have been available in the church budget. The Committee also has the discretion to approve an applicant's requested funding "in part" and to specify the activity or activities for which "in part" funding may be used.
